CHRISTMAS BLESSINGS FROM THE LICKEY PARISH

Dear neighbour,

We would like to wish you a happy and peaceful Christmas. In our Parish at Holy Trinity, Lickey with St. Catherine's, Blackwell we will be celebrating the birth of Jesus through a range of services. We warmly welcome you to join us.

There are opportunities to sing your favourite carols, to attend Midnight Mass, to light Christingles on Christmas Eve and to celebrate on Christmas morning. All of these services may remind us of Christmases we have known. The hope for Christmas 2018, is that Jesus: "The light of the world" (John 8:12) is an invitation for each of us to find out more about why He is our hope for now, and for the future.

Happy Christmas!
