

A beginners guide to...

Life at Advent Christmas Special

Saturday 21st November 10:30am - 12pm

What it is...

'Life' is our online holiday club for households with primary aged children. There are games, songs, bible stories, challenges and a craft, all based around a theme, this Advent the theme is '**Light in the Darkness**'

Plus you will meet our friends Filler and Spiller
All this takes place on Zoom.

How it works

The morning starts at 10:30am, and is hosted by Emma Sargeant, the Growing Younger Advisor, with two members of the Bishop's Youth Synod, Finn Heathfield and Mel Goldingay.

The first 30 mins will be interactive with games, songs and the story of the shepherds meeting the baby Jesus. You will then go into church based 'breakout' groups where you will make your own interactive Advent calendar to keep you shining the light of Jesus all the way through Advent.

We will all join back together at 11:45am, to see what you have created, play another game and round it all off with a song and be finished by 12pm.

What you need to do next

To come along and join in the fun, all you need to do is click this link and register your household to be part of Holiday Club.

We will then send you the Zoom code and activity pack with all you will need to take part in the day
